

The Building Congress & Exchange offers you the “Perfect Exchange” of...

Value!

Our affordable corporate membership will help increase business and decrease cost! Save thousands with our Preferred Fleet Program. Earn significant savings on business spending and increase cash flow with our American Express Corporate Card Program! Save money on Long-Term Care Insurance through our relationship with John Hancock. Level (3) Communications, a global voice and data company offering a full suite of communication services, is extending special discounts and promotions to fellow BC&E members. Finally, enjoy discounts on R.S. Means Publications, AIA Documents, and BOCA Books.

Information!

Each month you will receive a copy of *The Bulletin* - the official newsletter of the Building Congress & Exchange. As a member you will find, and have the opportunity to, contribute, press releases, classified ads, and articles of interest at no cost, resulting in greater exposure for your company!

Advertisement!

The Building Congress & Exchange provides numerous opportunities for company exposure and promotion!

Networking Events!

The Building Congress & Exchange offers many opportunities to socialize in a relaxed environment. Our Network Hours, Annual Bull Roast, Golf Outings, Educational Programs, Project Tours, and our Craftsmanship Awards Dinner are great ways to interact with other Building Congress members.

Relationship Building!

With your Building Congress & Exchange membership come resources and opportunities to connect with industry peers who can help make your projects profitable and successful!

Committee Involvement!

Within the Building Congress & Exchange are committees that contribute to the Association's success! Join one and enjoy both personal and professional growth!

Business Knowledge!

The Building Congress & Exchange has the resources to keep your business competitive! Find out the latest trends within the industry and stay aware of what other companies are doing!

Community Involvement!

The Building Congress & Exchange, and our Foundation, support various programs such as a Future Craftsmanship Program, an Annual School Supply Drive, and an Annual Holiday Giving Campaign.

Diversified Membership!

Membership to the Building Congress & Exchange is available to the entire construction industry including Architects, Engineers, General Contractors, Sub-Contractors, Suppliers, Manufacturer's Representatives, Accountants, Attorneys, and Vendors. All members receive our comprehensive *Here's Who Membership Directory!*

The Building Congress & Exchange Foundation, Inc. was created to promote the construction industry within the greater Baltimore community. Since 1998, approximately \$457,000 has been awarded to individuals and organizations to support workforce scholarship programs, construction management programs, and construction training programs.
