

THE FUTURE CRAFTSMAN AWARDS

The Building Congress & Exchange Foundation will once again be awarding its Future Craftsman and Design Award to area high school Juniors enrolled in a construction-related curriculum.

For many years, the Building Congress & Exchange Foundation has been supportive of area high school students who have expressed an interest in construction careers.

ELIGIBILITY CRITERIA FOR APPLICANTS

- Must be a student enrolled in carpentry, electrical, masonry, drafting or mechanical trade
- Must be a high school senior in the next school year
- Must have a 95 percent attendance record and passing grades

Applicants must submit the following information along with the completed application:

- Letter of recommendation from their technology education teacher
- Letter of recommendation from their principal
- Transcripts for the current and two prior academic years
- Proof of 95 percent attendance
- Proof of enrollment in either carpentry, masonry, electrical, drafting or mechanical trade

ABOUT THE FUTURE CRAFTSMAN AWARD

The Foundation will award the Future Craftsman and Design Award to a select few area high school students who have demonstrated excellence in construction related fields. In addition to peer recognition and a commemorative plaque, the finalists will receive \$1,000 to be applied toward the cost of tuition for further education in construction or toward the purchase of tools to begin work in a construction career.

APPLICATION PROCESS

Applications must be completed and submitted with supporting documentation, no later than April 22, 2022 to the Building Congress & Exchange Foundation's Elisabeth Wainwright at ewainwright@bcebaltimore.org.

All applications will be reviewed by our committee. They will select the top candidates to interview. The interviews will take place virtually in early June. Those selected as a recipient of this year's award will receive the award at the annual Craftsmanship Award ceremony in October.
